Howard W. Wells

An Important Note From Our President

Here's hoping everyone had a Happy and Healthy Holiday Season.

The past year went by in a blur of activity here at the Local. Things are going well considering the tough times in which we're operating these days. We do run into some brick walls but nothing that we can't climb if we work together. I'm looking forward to the changes and challenges of the New Year as we know there will be many. Remember my door is always open. Communicate! Communicate! Communicate!

Be part of the solution ~ not part of the problem. Let's all have a great 2011.

As we start the New Year, reasonably safe in our homes and communities, with the roof of freedom over our head let us never forget those who made the ultimate sacrifice to protect us.

Official Notice From the Office of The Secretary-Treasurer Of Teamsters Local 676

To maintain dues compliance with the IBT Constitution, and any audits by the DOL, I have sent letters to all employers requesting lists of all covered employees and their pay rates.

Our auditors have calculated our chargeable / non-chargeable percentages. Our chargeable percentage is 90.9%. This is done at the end of each calendar year for all members, primarily Public Sector members.

Secretary-Treasurer Local 676
